

STUDY RESOURCES

Welcome to Thomas Nelson study resources and curriculum! We provide life-changing resources that will help you as a disciple of Jesus to deepen your love for God and others. Bible study can take place anytime, anywhere – not just within your church building’s walls, but in a coffee shop, in homes, or at the park, and our resources are developed with these various venues in mind. Thomas Nelson study resources provide solid teaching on a range of topics and books of the Bible, and we have something for just about everybody. Take a look around!

We offer several kinds of study curriculum:

BIBLE BOOK STUDIES focus on practical yet deep study of a book of the Bible. These are perfect for individual or small group use.

DVD-BASED STUDIES may be Bible book or topical studies, and include DVDs with teaching videos, short films, and/or discussion starters. These studies are great for any small group, and many provide suggestions and options for church-wide use.

TOPICAL STUDIES will focus on different life-changing topics, ranging from managing your emotions to the fruits of the Spirit to growing as a leader. These are great for individual and small group use.

STUDENT STUDIES are made with youth and college students in mind, and are great for small or large group use. Most include a DVD for group use.
